

Center for Gene Therapy of Cystic Fibrosis and Other Genetic Diseases

Instructions for Pilot Grant Applications

General Instructions:

The final pilot grant proposal is due on December 11, 2009. The proposal should follow the guidelines for NIH grants and include a Face Page, and Key Personnel, Detailed First Year Budget, Second Year Budget, combined Biosketch, and Other Support pages. Forms may be found on the "Pilot Grant Application Forms" page of the Gene Therapy Center website

<http://genetherapy.genetics.uiowa.edu/pilotprograntforms.shtml> or by contacting Julie Stark (335-7744). The exception to NIH guidelines is that the Specific Aims, Background and Research Plan are limited to a total of 5 single-spaced pages. Original figures may be placed in an appendix if not clearly legible in the text. Pilot grants, with budgets of up to \$50,000 annually, are funded for one or two years and will have a start date of 04/01/2010.
